Dedication

We dedicate the ninth volume of the Victorian, to you our dearest friends, Dad and Mother, who have made great sacrifices to send us to a Catholic school where we have acquired a thorough religious training and where our Faith has been safely nourished and protected.

We are indebted to you, dear Parents, who have so fully realized that, not only must the intellect receive proper training and development, but also the will which enables us to make right choices.

May God bestow upon you, dear Parents, incalculable blessings, because you followed the wishes of Holy Father, Pope Pius XII, who pleaded that you "re-establish through the spirit of God what has been demolished through the spirit of destruction."

We can never repay you for all the untold hardships that you endured to make our dreams more realistic; but it is our earnest prayer that in the years to come we may be your tender consolation in sorrow; your greatest joy and gladness in the experiences of life.

Forward

Before leaving school we wish to leave a memorial of our four most cherished high school years. May the Victorian serve as a reminder of the lessons learned, the careful training received from our Alma Mater, the social activities, sports and religious training that prepared us for the final battle, the battle of life.

For many years we have been happy and fortunate recipients of numberless benefits from you. In special ways you have given us treasures that cannot be purchased with gold. You have given them freely, generously, lovingly and often at the price of many sacrifices, because you love God and because you love our souls with a just and holy love. May the God Whom you so faithfully serve be your rich reward.

WE ARE GRATEFUL

to our faculty of South Bend Catholic High for all the hardships you have endured; for your splendid work in the field of teaching and guiding us to make "leaders" of tomorrow.

We are grateful for the high ideals which you implanted in our hearts and for the inspiring example you have given us.

The four years you were the "beacon" from whence the light radiated and cast its beams upon us. Today we realize the difficult task you have undertaken for our welfare; therefore once again we wish to express our deepest and sincere gratitude for all your hard labor, patient direction and heart-warming companionship. May Almighty God bless and keep you under His protection forever.

Pep Sessions

Among the unforgettable activities of our school days, were the stirring and inspiring pep sessions which manifested the students' fine school spirit.

At every pep meeting we had a distinguished speaker. Impressive speeches were made by Rev. J. Lynch, C.S.C., Rev. J. Thilman, C.S.C., Hon. Judge Leon E. Kowalski, Mr. Edmund Fisher; at the huge bon-fire pep session we heard Rev. Leo Wojciechowski, C.S.C., Hugh Burns, George Basker, Gene Basker.

We were convinced that in order to achieve our goal we had to be united as one. On some things our views varied, but in athletics we were all united in attaining VICTORY!

For the first time in our school history we had a queen at the annual football game — South Bend Catholic vs. Central Catholic High.

Under the capable leadership of Marty Lentsch, the South Bend Catholic Lions organized their first Baseball Team, in the spring of '45!

In the course of events that followed, this looked to be a bit difficult, however, through the fine coaching of Marty Lentsch and the hard work of the team it proved a great and successful undertaking. Uniforms and equipment were furnished and the home games were played at J. D. Oliver ball park. This team excelled in marvelous spirit and thus increased the interest of all the other athletes as well as the entire student body.

The schedule of the games played and their scores are as follows:

	We	They
CENTRAL CATHOLIC	7	0
MISHAWAKA	3	13
WASHINGTON	2	3
CENTRAL CATHOLIC	5	7

In conclusion we wish the boys good luck in the following decade of baseball, for it is through their sportsmanship and good will that the South Bend Catholic High is able to caress this fine American sport.

RHAPSODY

The South Bend Catholic High School orchestra under the competent direction of Professor George Gaska, has accomplished much in the past few months—filling the school corridors with resounding strains of various melodies. Each Wednesday morning students can be seen tapping their fingers to the rhythm of the familiar notes.

Although there is only a small group, the orchestra has been doing excellent work. This can be attributed to the two things prevalent among the members, co-operation and appreciation.

The harmonious effects that emerge from the orchestra is due to the flawless blending of instruments such as: drums, saxophones, clarinets, accordions and also the trombone, humorously referred to as the "slush pump".

To the orchestra and each individual member we extend our appreciation and thanks for their past efforts and heartiest wishes for many prosperous and successful years.

Burza a Polska

Dziś oto jeszcze Łodzią Piotrową miata burza, a Chrystus śpi; nadzieja słabnie w sercach Apostołów i zdaje się, że tylko jedna chwila, jedno wzbicie się fal, a lódź pojedzie na dno; zginie w nurtach morza niesprawiedliwości, niewiary i braku ufności. Lecz potężny głos Piotra da się słyszeć: "Panie ,ratuj, bo giniemy!" My naród Polski giniemy w morzu wielkiej niesprawiedliwości. Ratuj nas Panie! My Twoje dzieci, chcemy mieć Ojczyznę wolną, piękną i całą.

Panie, jest to wołanie szczerze i czyste Narodu Polskiego. Naród ten, zawsze głęboko religijny nawet zdawał się, że już wszystko przepadło, ufne wzniósł serce do Boga, i Bóg go nie zawiódł. Gdy nieprzyjaciel szydł i męczył Polskie plemię, duch jego rósł, potęgiał i wzmacniał się, bo ducha jest trudno zabić w bohateriskim Narodzie.

Bohaterstwo ocalą narody. Bohater wzbija się i sięga tam, gdzie tylko duch dosiągnąć może. Oto charakterystyka Narodu Polskiego.

Polska przechodzi obecnie najcięższy okres historyi wieków, cierpi jak żaden naród, ale przecierpi go, przetrwa, bo Chrystus jest blisko, jest wśród swoich.

Oby jak najrychlej zaświtała jutrzenna pokoju i wolności prawdziwej dla tego umęczonego, szlachetnego Narodu—Wierzymy, mocno że nadjdzie ta chwila, bo Bóg i Prawda zawsze zwycięża.

Podziękowanie

Najszczersze podziękowanie składamy naszym przeważnym Rodzicom za ich prace i poświęcenie się dla nas. Albowiem ich jest zasługa żeśmy uczęszczali do Wyższej Polskiej Szkoły Katolickiej, w której nietylko otrzymaliśmy przygotowanie do życia w świecie materialnym—ale też do życia poza matką—do życia chrześcijańskiego, do życia, które trwać będzie na wieki.

Również składamy z głębi serc podziękowanie naszym Przyjaciolom, którzy pracują i popierają naszą Wyższą Szkołę Katolicką. Bóg im zapłać.

Czas spędzony w Alma Mater pozostanie nam w pamięci, gdyż wytworzył on pewien stosunek, zadziergnął węzeł, który nie łatwo się targi. Tak złączeni i umocnieni idziemy w życie czyniąc dobrze, spełniając obowiązki względem Boga, siebie i względem tych z którymi Opatrzność przewinacza nam żyć.

Z Okazyi Dwusetnej Rocznicy Tadeusza Kościuszki

Wielki bohaterze dwóch światów, dziś ciebie czcimy jako wielkiego bojownika o wolność, o zasady moralne, które dają możliwość szczęścia i spokoju—zasady, które prowadzą wolny naród do rozwoju kultury materialnej i duchownej.

Tadeusz Kościuszko, naród Polski Cie zrodził z duszy jego wyczerpałeś bohaterstwo, służąc przykładem pokoleniom. Blask Twej szczerej pracy i poświęcenia się dla wolności Stanów Zjednoczonych opromienia nas i daje nam pełne prawo do ziemi, o którą walczyłeś tak szlachetnie, na równi z Washingtonem. Lecz przede wszystkiem, zasługi bohaterów Polaków, nietylko na ziemi Washingtona, ale na wszystkich odcinkach wojennych, dają Polsce sprawiedliwe i zasłużone prawo do wolności, do niepodległości politycznej i ekonomicznej.

Należy się święte prawo do życia i rozwoju Narodowi Polskiemu, który przekał krew za wolność wszystkich narodów.

Dziś my tu zebrani zwracamy się Boże do Ciebie z błaganiem Daj Wolność Polsce! Niech ludowi Polskiemu, tak bohaterstwu stanie się sprawiedliwość. Niech lud Polski mówi: Pan nas wzywoli z rąk nieprzyjaciela i mamy Ojczyznę. Niech mocarstwa wzruszą się krzywdą wyrządzoną Polce i niech części jej złączone będą.

Niech żyje Polska, niech żyje Tadeusz Kościuszko, niech żyją bohaterzy polscy!
